

PLANS FOR SALE			
	Number	Horsepower	Description
	50934	6	Nominal single cylinder - Portable engine with circular guide & pickering governor
	37862		General plan of 1 1/2" x 24" class K.E. engine R. H.
	32688		General Arrangement No. 1 Field Service repair train
	37477	5	Cylinders for 5 horsepower compound traction engine & 10 12 1/2 ton compound road rollers
	44402	5	Arrangement of 5 horsepower compound traction engine
	72001		Preliminary drawing arrangement of self propelling power plant for forest work
	76570	20 and 30	Arrangement of 20 and 30 horsepower diesel traction engine
M.E.S	6923		Thrasher 4' 6" class 'S. M' 1943 R
M.E.S	2544		22' elevator hayes principle
	70946		Water gauge classes for No. 1, 2 and 3 Gainsborough light tractions
	34529		Pistons and rods No. 1/2/3 Gainsborough light traction engines
	35580		Exhaust details for No. 6 Gainsborough light traction
	38805		General arrangement No. 6 GLTE
	34543		Hind wheels No. 1 GLTE
	34551		General plan No. 1 GLTE
	38252		Detail of hand lever brackets No. 6 GLTE
	38385		Detail of hand levers No. 6 GLTE
	39221		Arrangement of engine No. 1A GLTE
	38807		Arrangement of engine No. 6 GLTE
	39609		Section of hind wheels No. 6 GLTE
	18884	5	Tender 5 horsepower traction with col box
	11263	5	Special 5 horsepower traction engine
	55290	7	Boiler 7 horsepower S. E. traction engine spring and non-spring
	31350	6	Front wheel and undergear for 6 horsepower traction engine
	26273	6	Gearing for 6 horsepower traction engine
	60342		Engine arrangement 6/7 traction and 14/16 tons roller compound class 'S'
	25749	5	General Plan 5 horsepower traction engine
	58809		Compensating bevel wheels for 10/12 ton class 'S' roller
	28165		Throttle valve seats single cylinder traction engine
	56697		Intermediate gearing for 10/12 T road roller
	56795		Front fork 6/8 T convertible rollers
NBS	1459	5	Plate layout 5 horsepower and 10/12 road roller class 'S'
	55643		Chimney tops for tractions
NBS	1677		Camber cover for 6/8 tons road roller
	55095		1" diameter feed check valve and cock for traction engine
	58290		General arrangement of frame 5/6/7/8 tons tandem road rollers
	26812	6 / 7	Bye pass and stop valve for 6/7 horsepower compound traction engine
	24843	6	Valve rod guide 6 horsepower compound traction engine
	20719	6	Main driving pinion
	23526	6	Cylinder 6 horsepower compound traction engine
	47091	6 / 7	Fore carriage 6/7 horsepower compound spring mtd traction
	46277	6 / 7	Fore carriage 6/7 horsepower SC compound traction engine
	60196	6 / 7 / 8	Governor drive details 6/7/8 horsepower traction 14/16/18/20 roller WB and NZ class 'S'
	60180	6 / 7	Stop valve details 6/7 horsepower tractions 14/16 compound rollers
	60356	6 / 7	Side guards 6/7 horsepower traction 14/16 T road rollers single cylinder Class 'S'
	58967		Detail of plates for fixing morrison 3 tyne scarifier to 10 ton class 'S' road roller
	60151		General arrangement 12 ton compound road roller class 'S' with long firebox
	38191	5	General arrangement 5 horsepower S.C traction engine
	56260		Ashpan damper details for traction engines
	22009		3/4" wheel valve for traction engines
	64744	5	Arrangement of water lyter outside tender for 5 horsepower S.C O.K special traction engine
	44402	5	Arrangement 5 horsepower compound traction engine
	15226	8	Steps footboard handrail and injector arrangement 8 horsepower traction inside gear
	38837	5	Boiler 5 horsepower SC traction engine spring and non-spring
	25749	5	General plan 5 horsepower traction engine
	20906	5	General plan 5 horsepower traction engine
	23395	5	Winding drum 5 horsepower traction 10 ton roller
	30825	5	Reversing gear details for 5 horsepower compound traction engine
	16644	6	Connecting rod 6 horsepower compound traction
	21984	6	Boiler 6 horsepower traction engine
	28271	6	Special tender 6 horsepower traction engine
	31649	6	Hind wheels for 6 horsepower traction engine
	54971		Hind wheels for 5 ton steam tractor
	52725		Wood top for awning 5 ton steam tractor 6/8 ton road rollers single and compound
	53093		Bracket and details of throwing out gear for 5 ton tractors and 6/8 ton road rollers
	53058		Steel Crankshaft
	55016		Spring and detail for sliding firedoor for 5 ton steam tractor and 6/8 ton steam tractor and 6/8 ton rollers and spring for scrapers on scarifer for 10/12 ton rollers
	52250		Intershaft brackets 5 ton steam tractor and 6/8 ton road rollers
	53571		Centre for intershaft wheels for 5 ton steam tractor and 6/7 ton road rollers
	56172		Front roller fork 5 ton convertible tractor
	52509		Flywheel and crankshaft cap for 5 ton and compound steam tractor
	52851		Hind rd wheels for 5 ton steam tractor
	52552		Right and left hind wheel boss for 5 ton steam tractor
	52904		Cover for safety valve for 5 ton steam reactor
	52900		Hind wheel boss L. H. steam tractor
	53465		R H side drilling of hornplates for 5 ton steam tractor
	53736		Cross section through hind wheels 5 ton steam tractor
	55336		Developed plan arrangement of asbestos mattresses for 5 ton steam tractor
	55207		Sliding fire door for 8" x 10" firehole 5 ton steam tractor
	53554		Drilling on boiler and tender for 5 ton steam tractor
	50942		Reflex water gauge
	52369		L. H. wheel guard for 5 ton steam tractor
	56760		Special hind wheels 5 ton compound tractor No. 66310
	52253		Spring details for hind axle 5 ton steam tractor
	56799		Hind wheels with rubber tyres 5 ton steam tractor
	53507		Arrangement and details of flywheel brake 5 ton steam tractor
	55207		Sliding fire door for 8" x 10" firehole 5 ton steam tractor
	31696	6 / 7	Brake gear 6/7 horsepower traction engine
	55044	6 / 7	Eccentric and strap 6/7 horsepower SC traction engine

	24843	6	Valve rod guide 6 horsepower compound tractor
	23558	6	Front plate and throwing out gear 6 horsepower compound traction engine
	23598	6	Standard 6' hind wheels for 6 horsepower traction engine
	22281	6	Boiler 6 horsepower compound traction engine
	13087	6	Cylinder 6 horsepower traction inside gear
	34247	7	Plan 7 horsepower traction engine
	59622	5	Crankshaft 1st intershaft and hind axle 10/12 ton roller class 'S' and 5 horsepower traction engine
	62778		Arrangement 10 ton single cylinder road roller class 'S'
	59345		Main spur ring and pinion for 10/12 ton rollers class 'S'
	56446		Forecarriage 10/12 ton road rollers class 'S'
	16645	6	Cylinder covers slide and throttle valves 6 horse pwoer compound traction engine I. G.
	16646	6	Pump and details 6 horsepower compound traction
	4295	6	Bracket for throwing out gear 6 horsepower
	19134	6	Hind road wheels 6 horsepower traction engine
	32685	6 / 7	Fore tank 6/7 horsepower compound spring mounted traction engine
	32314	7	Arrangement of "Moore" pump and injector 7 horsepower compound spring mounted traction engine
	56463	7	NZ boiler for 7 horsepower class 'S' traction 14 ton 'S' road rollers and 40 BHP colonial tractions Marshall's A2 4' 6" english machine with chaff apparatus 1894
M.E.S.	6960		General arrangement of drum and 2nd dressing
	32609	7	Boiler for 7 horsepower traction engine non-spring and N. K. spring
	60284	7	Special wood rack for tender 7 horsepower S.C. traction engine
	60267	7	Special hind wheels for 7 horsepower single traction class 'S'
	29435	7	Chimney base and flywheel 7 horsepower traction engine
	55175	7	Boiler 7 horsepower traction engine single or compound
	28064	6	General plan 6 horsepower compound spring mounted traction engine with rim brake
	24706	6	Spring mounted traction engine
	22622	6	Crank and intershaft bearing 6 horsepower compound traction engine
	16635	6	Crossheads pistons and roads 6 horsepower compound traction engine I. G.
	16634	6	Gearing 6 horsepower compound traction engine
	16649	6	Arrangement and details of cylinder drain cocks 6 horsepower compound traction engine
	19134	6	Hind road wheels 6 horsepower T. inside gear
	16638	6	Crosshead and valve rod guides and weight shaft brackets 6 horsepower compound traction engine
	16639	6	Eccentrics 6 horsepower compound traction engine
